Consisting of 33 of the largest customers of the Postal Service with aggregated mailings approaching 35 billion pieces, NPPC supports a robust postal system as a key to its members' business success and to the health of the economy generally.

3. NPPC recognizes the at-times unpleasant, but unavoidable, necessity to streamline the system to preserve it, and therefore generally supports the Postal Service's proposal in this proceeding, which is an important step towards securing a more fiscally sound postal system.
